

Mosier Watershed Council

Meeting Announcement

Wednesday July 25th, 2018

**6:30 - 8:30 PM at the Mosier Grange
(900 4th Street, Mosier)**

DRAFT AGENDA

- 6:30 pm** **Call to Order**
Introductions, approve minutes from April meeting.
- 6:35 pm** **Derailment Site Restoration and Status**
Colleen Coleman, City of Mosier & Mike Igo. Update on the site restoration project, public outreach, design and planning, as well as status of monitoring wells and PFAS testing plans.
- 7:00 pm** **Mosier Aquifer Levels**
Aurora Bouchier, OWRD. The latest data on our aquifer levels.
- 7:15 pm** **Mosier Million Well Replacements – Status and Cool Stuff We've Learned**
Erik Thomasser, OWRD and Ken Lite, Retired. Update on the well replacements, plus Mosier hydrogeology information, and hopefully even a highlight reel of our aquifers.
- 7:45 pm** **Data from the Deep Well**
Robert Wallace, Wy'East Resource Conservation and Development. The first deep well is irrigating crops, and we have data about how much water is used, how the levels respond, and more.
- 8:10 pm** **Announcements, Set next meeting date**
Status of deep well grant. Other announcements? Next meeting currently scheduled October 24, 2018.
- 8:15** **Adjourn to Pub**
